

FY2018 Timetable of Spring-AB Modules

Spr AB	Mon	Tue	Wed	Thu	Fri
1		Energy System Engineering/ Advanced Composite Structural Engineering	Advanced Geotechnical Engineering	Advanced Fluid Mechanics 1	Advanced Vibration Analysis/ Transport Phenomena
2					
3		Advanced Solid Mechanics	Environmental Fluid Engineering		Advanced Earthquake Engineering
4	Daigakuin Seminar				
5	Micromechanics	Thermo-Fluids Measurement Techniques	Advanced Reliability Engineering		
6					
7					Advanced Space Exploration Engineering Workshop 2018

FY2018 Timetable of Fall-AB Modules

Fall AB	Mon	Tue	Wed	Thu	Fri
1	Advanced Computational Mechanics	Advanced Structural Mechanics/ Advanced Fluid Mechanics 2	Renewable Energy Engineering	Structural Design Methodology	Strength and Fracture of Solids/ Engineering of Electromagnetic Energy
2					
3			Multiphase Flow Engineering		Computational Fluid Dynamics
4	Daigakuin Seminar				
5			Advanced Dynamics of Compressible Flow		
6					
7					Advanced Space Exploration Engineering Workshop 2018
