

### FY2019 Timetable of Spring-AB Modules

Spr AB	Mon	Tue	Wed	Thu	Fri
1	Advanced Composite Structural Engineering	Energy System Engineering		Advanced Fluid Mechanics 1	Advanced Vibration Analysis/ Transport Phenomena
2					
3	Advanced Geotechnical Engineering	Advanced Solid Mechanics		Thermo-Fluids Measurement Techniques	Advanced Earthquake Engineering
4			Daigakuin Seminar		
5			Advanced Reliability Engineering	Micromechanics	Environmental Fluid Engineering
6					
7					Advanced Space Exploration Engineering Workshop 2019

### FY2019 Timetable of Fall-AB Modules

Fall AB	Mon	Tue	Wed	Thu	Fri
1		Advanced Structural Mechanics	Renewable Energy Engineering	Structural Design Methodology	Strength and Fracture of Solids/ Engineering of Electromagnetic Energy/ Disaster Information
2					
3	Advanced Computational Mechanics		Multiphase Flow Engineering	Daigakuin Seminar	Computational Fluid Dynamics
4				Advanced Fluid Mechanics 2	
5		Structure Design of Nuclear Plant	Advanced Dynamics of Compressible Flow		
6					
7					Advanced Space Exploration Engineering Workshop 2019
